

**SFZ 009**

# INVISIBLE LINE

UNDERBODY REFRIGERATION SYSTEMS

The all new **Italian made** Zanotti SFZ009 Invisible line systems. Designed for **Australian climates** in partnership with **Daikin Zanotti**

  
Product of Italy

Invisible Line **SFZ 009**

|                                         |                           |    |
|-----------------------------------------|---------------------------|----|
| Operation                               | Road and Stand-by         |    |
| Defrost                                 | Hot Gas                   |    |
| Total weight (kg)                       | with electric stand-by    | 95 |
|                                         | without electric stand-by | 65 |
| Evaporator air flow (m <sup>3</sup> /h) | 840                       |    |

Daikin-Zanotti **SFZ009** is a robust **invisible Direct Drive** system, which is installed underneath the vehicle chassis, completely invisible from the outside, capable of delivering the temperatures you need all year round!

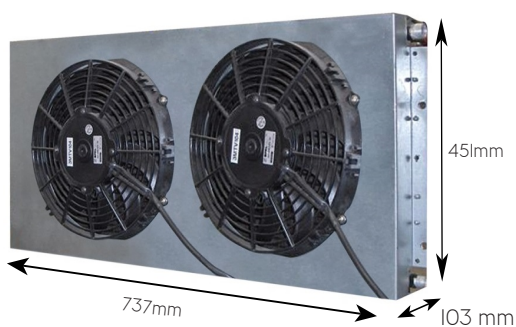

**SFZ009** is a heavy duty, **dual-fan** system, designed for Medium and Large size vans for **Chiller** and **Freezer** temperature options.

|                              |          | R404A          |       |       |  |
|------------------------------|----------|----------------|-------|-------|--|
| Cooling capacity (Ta = 30°C) | Tc       | °C             | 0     | -20   |  |
|                              | Road     | W              | 3200  | 1850  |  |
|                              | Stand-by | W              | 2300  | 1100  |  |
| Recommended Body volume      | Tc       | °C             | 0     | -20   |  |
|                              | Ta       | °C             | 30 40 | 30 40 |  |
|                              | Vol      | m <sup>3</sup> | 21 16 | 17 12 |  |

They're made from the highest quality **Italian parts** and are **manufactured in Italy** - designed to be extremely durable in all weather conditions with all the hardware cased in tough ABS plastic.

Zanotti **SFZ009** Transport Refrigeration Systems are aesthetically advanced, with **innovative Italian design** in every aspect of the make - made to be **invisible** with its ultra-thin dimensions, while also **efficiently cooling the system** while on the move.

\*Ta = Ambient outside temperature. \*Tc = Cool Room temperature

Available with **Standard 12, 24 and 36** month warranty options.
